

We are pleased to announce that Her Royal Highness, The Princess Royal, has accepted our invitation to be the principal Guest of Honour.

Her Royal Highness, The Princess Royal

We are privileged to welcome Her Royal Highness, The Princess Royal, as our principal guest for our 150th Anniversary Dinner in Portsmouth Guildhall. Her Royal Highness is renowned for her dedicated working schedule, carrying out over 500 engagements each year, as well as her commitment to a wide range of charities. Her interest in equestrian matters is well known, having represented Great Britain at the 1976 Montreal Olympic Games.

Less well known is her commitment to a wide range of nautical charities and causes as well as her passion for yachting. As the Master of The Corporation of Trinity House, a past Master of the Honorable Company of Master Mariners, the President of the Mission to Seafarers and Patron of the Shipwrecked Fishermen and Mariners Royal Benevolent Society, she is closely connected in many of the organisations in which Old Worcesters have an involvement. OWYC members will be pleased to know that she also has a lifelong commitment to yachting and this year replaced her Rustler 36 with a new Falmouth built Rustler 44 which she plans to cruise off the West Coast of Scotland.
