

Re-Run of the Race at Calcutta of 1893 between OCs and OWs at Lyme Regis on Thursday 28 July 2011

The OWs have been challenged to a Race using the gigs at the Lyme Regis Gig Club. The challenge has been accepted by the Association.

These boats are configured for 6 oars plus a coxswain, so we've identified 7 oarsmen (1 standby) and 1 coxswain. We may require another oarsman to standby

The team consists of following OWs:

<i>David Glennie (Coxswain)</i>	<i>1960</i>
<i>Ian Walker</i>	<i>1955</i>
<i>Peter Hodges</i>	<i>1959</i>
<i>Michael Wheeler</i>	<i>1961</i>
<i>Peter Furneaux</i>	<i>1961</i>
<i>Richard Tyzack</i>	<i>1961</i>
<i>Christopher Farnfield</i>	<i>1961</i>
<i>John Marden</i>	<i>1967</i>

Please see the 'friendly challenge' sent by Tom Mason the Conway Club President giving the background to the Calcutta Cup. Using Tom's words this will be more like a sedate "Row Past"

Any visiting support will be most welcome and I am sure the Gig Club and OC's will assure of a very warm reception.

Christopher Farnfield
Chairman
Association of Old Worcesters
