The Rendezvous at the RSYC at Hamble le Rice **Tuesday 25th to Thursday 27th June**

Following the unanimous decision of members at last year's successful rendezvous, it was decided to return to the River Hamble and the excellent facilities and welcome offered by the Royal Southern Yacht Club. Advance bookings by members means that there is only limited accommodation still available at the Club (two single rooms). However there are many B&B options in the village which makes it the ideal venue for a club where many members are succumbing to age and partner pressure to finally give up their boats. A full list of accommodation available in the village is available on page 5. Hamble also has a railway station positioned close by the village.

For those with vessels there is the club's marina in front of the club with berths available for visitors.

Hamble le Rice Village

Exbury Gardens

At the last AGM it was proposed and agreed that our OWYC Annual General Meeting should be held on the afternoon of the first day of the Rendezvous. On the programme you will see that it is scheduled for 1500 on Tuesday 25th June. Having this event at the rendezvous will allow many members who do not normally attend to take part in the procedure and be involved in any decisions.

After the success of last year's trip to Solent University to see the facilities used to train our WMNCS cadets, we have this year planned something completely different! We will take a coach, leaving at 1000 on 26 June, to Beaulieu Abbey and Exbury Gardens, both popular destinations on the banks of the beautiful Beaulieu River. You have a choice of visiting one or the other, with the first drop off being Beaulieu Abbey with its famous National Motor Museum where the recommended tour length is 4 hours. The coach will then go on to the second drop off at Exbury where Lord Rothschild's wonderful gardens should be in full bloom. Both sites have a plentiful choice of restaurants and cafes for a long and lazy lunch, if that's your desire, or for those that want to build up an appetite for the evening dinner, here is a host of walks available, plus in Exbury a wonderful, miniature steam train. The price for entry for both Beaulieu and Exbury on the booking form reflects a large group reduction against individuals paying on entry. Return will start at 1430 at Exbury getting back to Hamble at around 1600.

Berthing Arrangements

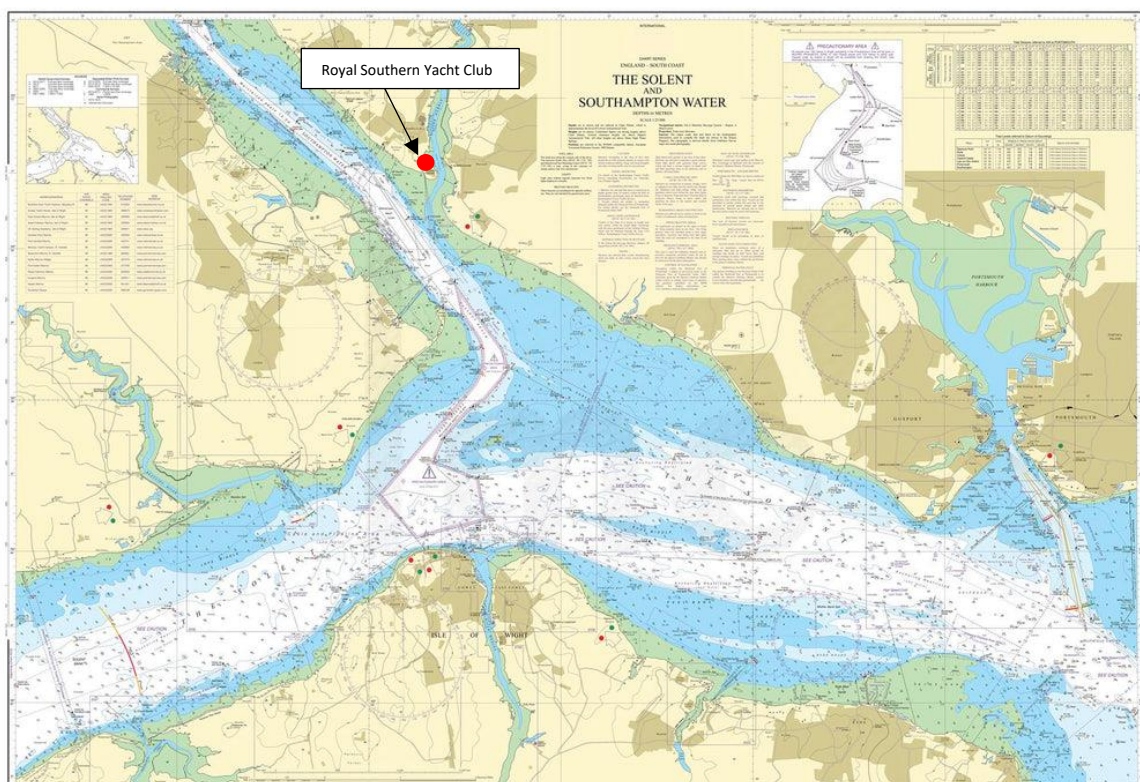

One of the main advantages of the RSYC is that it has its own marina located right in front of the clubhouse. For those bringing boats it will only be a short walk to the clubhouse, showers and washroom facilities.

If you are coming in your boat and wish for a berth please phone the club bosun on the number below to arrange your berth giving your boats details so that your berth can be pre-booked. You should also confirm by phone on the day of arrival to the same number. **The RSYC do not use VHF for berthing.**

Tides in the Hamble River:

A reminder for skippers coming from further afield that there are two high tides roughly three hours apart twice a day in the in the Solent. Check your tide table for times.
