

PRINT SIZES AND PRICES FOR REPRODUCTION OF PAINTING OF *KATRINE*
Watercolour (470x730)mm by Roger Morris

The images for this prints have been produced by the professional photographer **Paul Gilbert*** from the original painting, and are of a quality capable of printing full size or above. The reproductions have been checked by me and are as near to the original as can be achieved.

The sizes below are not strictly image sizes but are the standards used by the printers and reflect the paper sizes required for the image. The size of the image you order will be governed by the width.

Archival materials are used both in inks and paper.

Note: the prices below are as the exchange rates were for 17 March 2011 and are a only guide. Shipping is not included.
